*Co-Editors--John Browning, John Morton*

*Business Manager--Jim Woodsmall*

*Faculty Advisor--Dean Robert Moore*

### Mr. Clarence C. Cravens .....

*Mr. Cravens passed away on August 13, 1956. He had spent ten years on the teaching staff of the Agriculture Department at A.S.C. To his former students and many other friends he was known as 'Pop'. His ready wit and homespun philosophy made him a favorite on the campus. Many former students were encouraged by him and he will be missed by the large number of those who counted him not only as a teacher but also a genuine friend.*

# In Me

### **Mrs. Virginia Campbell . . . . .**

*Mrs. Campbell passed away on June 7, 1956. She had spent five years on the staff at A.S.C. Her first position was as teacher of the sixth grade in the A.S.C. Demonstration School and then as Secretary to the president. She was a graduate of A.S.C. and had a genuine love for the college, devoting much time toward singing its praise. Her presence on the campus will be missed, but to a host of former students and friends the memory of her will always be pleasant.*

# INDIANS

"that's what they call football"---;

# 1956 Indians

Here's what made the Indians click this year. Having a tough job from the start with inexperienced men, the "Big 6" had to cope with last season injuries to key players and upsets at the hands of the enemy. Still 1956 was a good year for A.S.C. football and these coaches deserve a lot of praise. Pictured left to right are: Connie Smith, trainer, Bob Blue, student coach, Dewayne Parker, end coach, Gene Harlow, head coach, King Block, backfield coach, and Jessie Johnson, student coach.

Coach Gene Harlow and his two captains, J. C. Anthony, left, and Bill Templeton, halfback, sit down before a game to talk over game strategy. Both captains were mainstays on the Indians' starting eleven. Anthony injured his knee in mid-season but came back in the last two games to retain his starting position. "Temp" stayed right in the first backfield all season.

Every great team has to break up sometime. Our Indians are no exception. Seven Indians were lost this year through graduation. These men will be replaced as individuals but not as a team. Six of the seniors are linemen and one was a back. Left to right are: Billy Davidson, J. C. Anthony, Greg Thomasson, Tom Kent. (back row)—left to right: Harold Westmoreland, Dick Hilburn, and Bill Templeton.

## On The Field

The 1956 season had its ups and downs for the A-State Indians. Starting like a wall of fire, the Tribe swept to three straight wins. Then after a Mississippi State loss, the team let up. A near loss to Murray, and a 34-0 massacre at the hands of Memphis, plus Spier's injury, spelled disaster to Harlow's boys. Playing heads up ball, A.S.C. managed to finish the season with 5 wins, and 4 losses.

Cissell says more over.

Coleman scores.

La. Tech's quarterback scampers.

Romeo stopped from behind.

Somebody stop that All-American.

# 1956 Indian

A.S.C. 56—CONCORDIA TEACHERS COLLEGE 0—State's first team saw only limited action as the Indians whipped the Nebraska team in a 56-0 route in the season's opener.

A.S.C. 39—FLORENCE STATE 13—Getting revenge for last year's defeat at Kay's Field at the hands of Florence, the Tribe scored three touchdowns in a wild third period to rack up victory number two for the season.

A.S.C. 21—LOUISIANA TECH 13—Spires and company, playing before a capacity Homecoming crowd, outfought a heavier and more experienced Tech squad for victory number three. The Osceola Little All-American fired two second half TD's and kicked all three extra points to lead the Redmen to victory.

A.S.C. 9—MISSISSIPPI STATE 19—After taking a 9-6 half time lead on a soggy field, Arkansas State fell behind in the fourth quarter to suffer their first defeat of the season. A quarterback named Stacy, running a tricky option pitch or keep play, bottled up the Indians and saved the day for the highly favored Maroons.

A.S.C. 28—MURRAY STATE 27—Three fourth quarter TD passes by Murray almost whipped State in a high scoring contest.

Charles Frankum, A-State S.G.A. president, concedes the paint bucket to Memphis State student body president after the Tigers whipped the Indians 34-0.

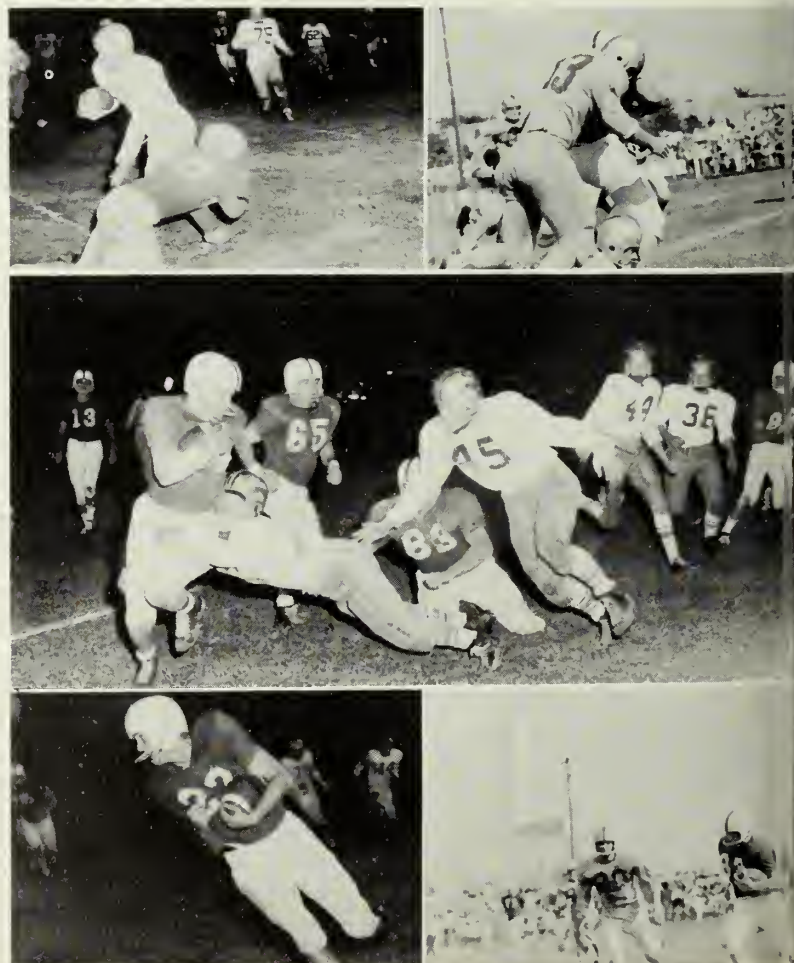

Bill Templeton stops a Tennessee Tech back on an end run.

Big Louisiana Tech linebackers clobber Jim Scherman as he snags Spier's pass.

Eddie Romeo scoots around the end as Concordia secondary tries to bring him to the turf. Farella makes a key block.

Howard Cissell turns on the gas in the Memphis State game.

Don Riggs outruns Louisiana Tech back for a long gain.

# Battle Scenes

A.S.C. 0—MEMPHIS STATE 34—Memphis State won possession of the first paint bucket as the Tigers clobbered the Indians 34-0 before 10,000 fans at Crump Stadium. Tragedy struck the Indians a death blow as their star quarterback Tommy Spiers was injured and sidelined for the rest of the season.

A.S.C. 6—TENNESSEE TECH—26—Still not fully recovered from the Memphis State defeat and playing without Spiers for the first time of the season, A.S.C. showed little spark in going down 26-6 at Kay's Field at the hands of a well-coached Tech team.

A.S.C. 27—AUSTIN PEAY—13—After learning that Spiers was out for the season, the Tribe came from behind and smacked down the Governors 27-13. James Billings took over as first string signal caller after Darrell Arnold was injured just before half time.

A.S.C. 7—ARKANSAS TECH—25—For the first time in recent years an Arkansas football squad was able to defeat Arkansas State. The Wonder Boys capitalized on thirteen Indian fumbles to spoil the Tribe's Turkey Day vacation.

Don Riggs goes up to take in Spier's aerial in the end zone in State's rout of Concordia.

Spiers goes up middle.

Indians stop T-Tech drive.

Arnold awaits Gray's block.

"Temp" says, "it's mine, buddy, it DON'T belong to you."

Cissell picks up blockers.

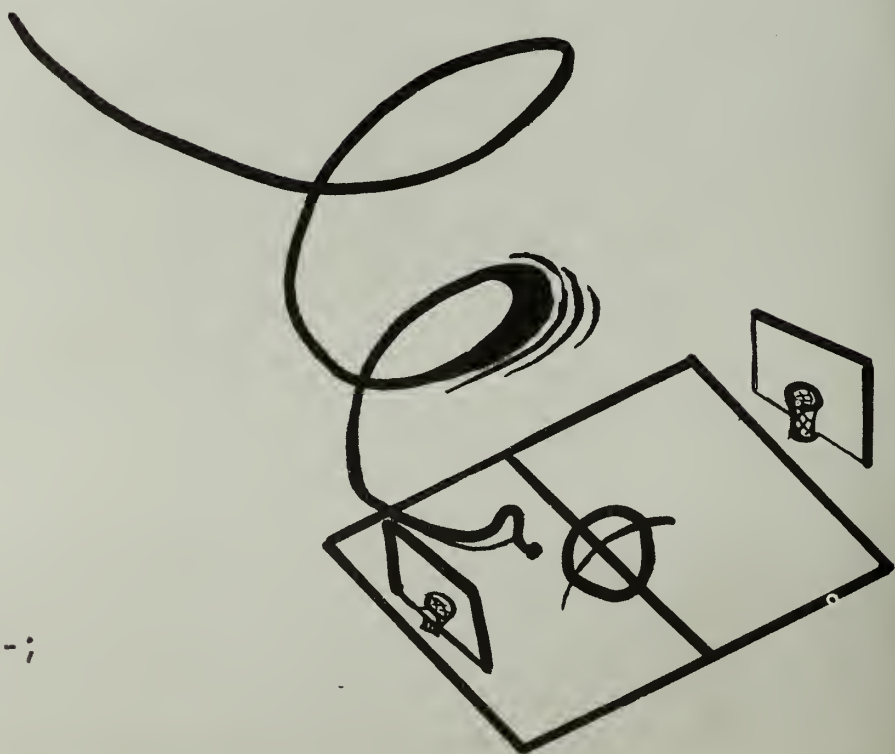

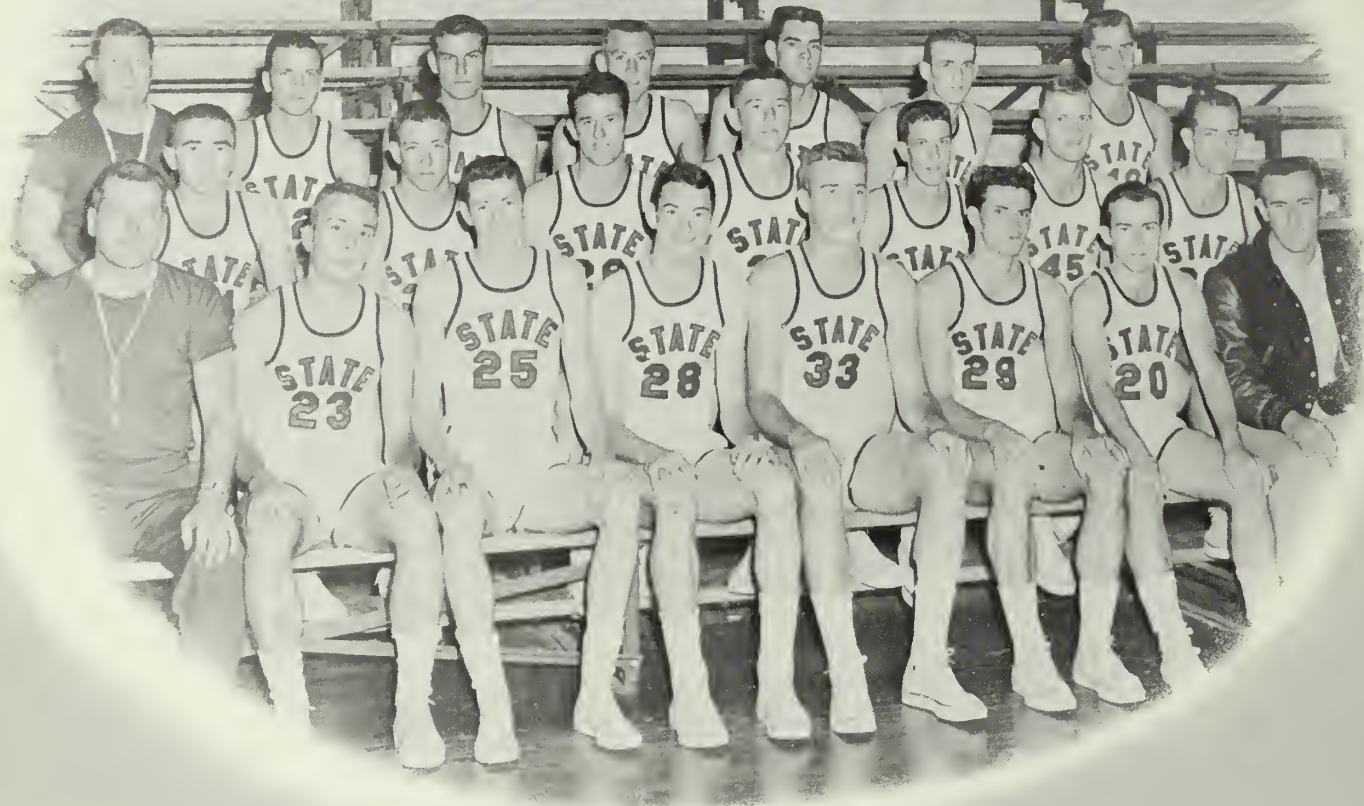

Templeton climbs high for Spiers' aerial.

### SEASON'S TOTALS

A.S.C.—1,450      Opponents—1,546

Season's mark for the Indians was 1,450 with their best output of points against Bethel College. The Tribe didn't break the century mark this year, but they played a different type of basketball.

On several occasions A.S.C. lost in the last few minutes of play and by only a few points.

## Season Highlights

A.S.C.'s Indians closed out the 1956-57 season with a 58-70 defeat at the hands of Arkansas College in the District 17 NAIA Tournament.

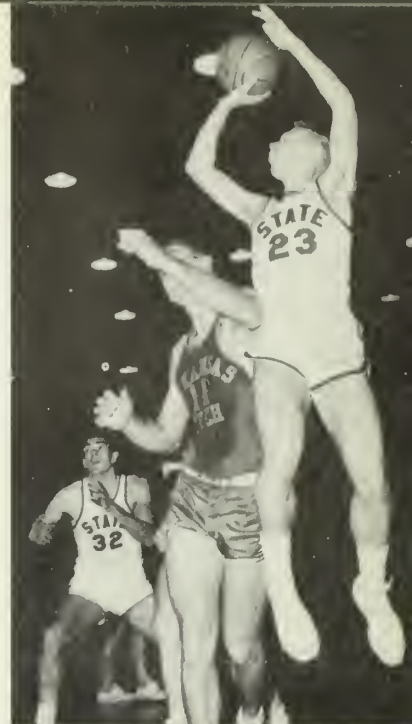

This defeat gave the Indians a 14-7 record for the season as compared to the 14-11 of last season.

Although going down in defeat 14 times the Tribe was only outscored 96 points by opposing squads. About 50 of these 96 points came in three games in which the Redmen were beaten by 20 points or better.

Gerald Chapple, senior guard; Jerry Burnett, freshman guard; and John Matlock, junior transfer at center were the big guns for the Indians in 56-57.

With Chapple and Burnett pouring the buckets in from out front and Matlock eating up the rebounds, the Indians were unbeatable on occasions. Missing from the team, however, was the spark and drive that makes a good team great.

THIS WAS THE STORY OF A.S.C.'s CAGE TEAM.

"Jug" racks up two more for A.S.C.

Burnett steals ball.

Tech's Sevier says, "Come here, ball."

That man Sevier again.

Byrd hogs the ball.

Slimmer passes to teammate

Matlock ties ball up.

## 1957 Arkansas State College Indian Baseball Lettermen

Arkansas State College's Indians face one of the toughest schedules in the history of baseball at A.S.C.

Coach "Ike" Tomlinson said just before the season started that he would have about ten lettermen returning to face A.S.C.'s opponents.

In the pitching department, the return of Tom Phillips of Blytheville with the assistance of Gifford Reynolds, veteran maskman, showed much promise of fine mound support for the Tribe.

In the outfield Don Riggs seems to be a sure bet to sew one of the three spots. Riggs, a four sportsman, is a powerful slugger.
